

JOEL + BRENDAN

Joel works as an actor and loves camping and singing in the car!

Brendan is a photographer and loves dancing and interior design!

Our story began 7 years ago with a first date that would be the beginning of a very beautiful journey together. Married for almost 4 years now, our lives have been full of adventure, love, and beautiful firsts! Most recently, we bought a new home in Coquitlam surrounded by trees, trails, and everything that nature has to offer. We absolutely love the area and so does the newest addition to our family, Poppy, our Bernese pup!

For both of us, having a *family* is something we have always wanted. We plan to raise a child with love and compassion while providing them every opportunity possible. We believe family is about not only the big moments, but also the sweet and subtle smaller ones. Taking the time to truly listen, interact, and encourage curiosity is of utmost importance to us.

We live in a diverse *community*, immersed in nature and close to many parks, trails, and lakes. We often will explore new trails with our dog on the weekends and we look forward to sharing this with our future family and providing them a life connected to our beautiful environment.

Our *home* is a warm and cozy townhouse with plenty of room for playtime and of course, spontaneous dance parties! Our backyard faces beautiful trees and a creek making it a very peaceful place to hangout. We also live close to family in Port Moody making it easy to spend quality time together!

We know how important *openness* is for an adopted child, to know their story and where they come from, and we are committed to you, your happiness, and your comfort level. Your child's best interest will be at the heart of every decision we make.
